Completed Less Than Three-Year Residency Programs: Needing Both Board Qualification and Certification

Candidates **without** Board Qualified status who completed a CPME-approved residency of less than three years must be Board Qualified by December 31, 2018, and have until December 31, 2020 to complete the ABFAS board certification process. Beginning January 1, 2021, such candidates are ineligible for ABFAS certification. See Board Qualification and Board Certification Documents on the ABFAS website: abfas.org.

****If your initial board qualification has expired, you may apply for requalification for a second and final time; however, any requalification may not extend beyond December 31, 2020.**
